

LEADERSHIP KEYNOTE SPEAKER | EXECUTIVE CONSULTANT

DR. RHONDA L. SIMMONS

Build Leaders Who Can Carry More Than Tasks

Dr. Rhonda helps executives and teams make clear decisions, share authority, build trust, and move important work forward. Her talks help leaders see what is slowing the team down and choose what must change next.

MEET DR. RHONDA

Dr. Rhonda L. Simmons is a leadership formation advisor, executive consultant, keynote speaker, and author. She has more than 30 years of leadership experience. She holds a doctorate in Educational Leadership from Liberty University and is a former school principal. She created Leadership Authority Architecture™ and wrote *Is My Team Growing Because I Lead Them?*

SIGNATURE KEYNOTES

Is My Team Growing Because I Lead Them?

Every team grows in response to its leader. This keynote helps leaders see how their habits shape trust, ownership, confidence, and team growth. They leave with one leadership change to make next.

The Five Irreversible Leadership Decisions

Some decisions cannot be taken back. This keynote helps leaders see what is at stake and make hard choices with clarity and care when people, culture, trust, and the future are on the line.

Leading Under Pressure: Authority, Architecture, and Executive Presence

Pressure shows what a leadership system can hold. This keynote shows why decisions return to the top and how clear authority creates faster action, stronger ownership, and calm leadership.

WHAT THE AUDIENCE CAN DO

- See the real issue beneath the visible problem
- Make stronger leadership decisions
- Build teams that think, decide, and act
- Leave with a clear next step
